

from college or university faculty members giving evidence for academic potential in credentialing coursework. Such students must meet at least one of the following criteria: (1) a minimum 2.550 GPA in the major, (2) a minimum 2.750 GPA for the previous two semesters, (3) a minimum of 3.000 GPA for each class in the previous semester and 6 units of post-baccalaureate work, or (4) successful completion of a graduate degree from a regionally accredited university. Interviews of such candidates must include a third interviewer. The Interview Committee may recommend the completion of certain remedial work that must be completed prior to advancement to full-candidacy.

Such “with conditions” students must earn at least a “B” in all program coursework. They must also receive a minimum evaluation score (see advisor for details) in their student teaching to continue in the program.

Professional Level II Clear Credential

Candidates may earn the Professional Clear Credential through a California Commission on Teacher Credentialing (CCTC) approved Professional Teacher Induction program, through an approved school district, county office of education, college or university, consortium, or private school. The Induction Program includes the advanced study of health education, special education, computer education and teaching English learners.

PLNU offers a special Master of Arts in Education degree with a concentration in Teaching and Learning in partnership with public school districts offering a Beginning Teacher Support and Assessment (BTSA) Induction Program. For more information see www.pltoma.edu/graded or contact the location nearest you.
