Course Numbering

Each course is assigned a number. The letters represent the department or discipline; the three digits designate the course and indicate its level as follows:

Course Number	Classification	Level
097-099	Remedial	Pre-university
100-199	Freshman	Lower-division
200-299	Sophomore	Lower-division
300-399	Junior	Upper-division
400-499	Senior	Upper-division
500-599	Credential	Post-baccalaureate

Special Designations

Courses shaded and marked **GE** meet requirements in the General Education Program. Those marked **WS** are offered in the Women's Studies minor.

Remedial Courses

Remedial courses are those pertaining to skills that the University may reasonably expect a general student to possess upon entry to the University, or courses pertaining to those skills that are required for university-level work. **These courses do not apply to total units required for graduation.**

Alternate-year Offerings

Many of the courses listed in this *Catalog*, particularly those at the upper-division level, are offered on alternate years. The University reserves the right to withdraw courses and to make changes in its class schedule and academic program as necessary. Students should contact individual departments and schools to be certain when courses are offered.

Prerequisite/Corequisite

Some courses listed in this *Catalog* stipulate either a prerequisite or a corequisite. A *prerequisite* is a condition or requirement that must be fulfilled prior to enrolling in a course, such as a specific student classification, consent of the instructor, or another course. A *corequisite* refers to a condition or a requirement that must be met prior to or concurrent with enrollment in a course.

Quad Courses

A limited number of concentrated offerings is available. These so-called Quad classes are eight weeks in length, two times during each of the sixteen-week fall and spring semesters.
