

PLNC CONTINUING GOALS

(Adopted by Administrative Cabinet on March 23, 1993)

PURPOSE: To provide guidance to PLNC Planning Units as they create (1) purpose statements, (2) objectives, and (3) strategies which are to be consistent with the College Mission and President's Vision Statement

1. To attract and retain qualified students who are committed to academic excellence and spiritual development
2. To attract and retain spiritually committed faculty, administrators, and staff who possess the highest academic and professional qualifications
3. To enhance the rigor and academic integrity of instruction
4. To develop and maintain a campus climate which encourages the wellness of every individual
5. To assure that persons of different colors, ethnicities, and gender, with their unique culture and perspective, are fairly represented and incorporated throughout the college community
6. To provide administrative services and campus facilities which contribute to the achievement of excellence
7. To be proactive in the context of a dynamically changing environment
8. To communicate effectively the vision and program of PLNC to its various publics
9. To produce alumni who are committed to a lifetime of service to God, the church, the college, and the global community
