Note: Headcounts are for all degree seeking full and part time students and come from annual fall IPEDS data.

Note: This data represents actual head count and not full-time equivalents (FTEs). Included in these numbers are students who are studying in University settings beyond the Point Loma campus as well as part-time students.

Note: Financial Aid information comes from the PLNU Financial Aid office and is the result of a fall snapshot.

Note: The snapshot date for graduate students for the annual fall IPEDS reports was moved in 2005 to more accurately capture the data.

Note: The numbers for 2003-04 to 2006-07 were restated in 2008 to reflect changes in the system for record keeping in the PLNU Financial Aid Office.
