

**Program Changes by Department**  
**Use of Results from Assessment Activities from 64 Academic Assessment Plans**

Department & National Organization	Program Review: 1995-2006				Assessment Program: 2001-2006	
	First Round	Use of Results	Second Round	Use of Results	Use of Results	Comments
Art & Design NASAD	1998-1999	For all programs, the result of first round program review was massive curricular revision and changes in program operations. For a select few (business, athletic training, and social work) it involved the pursuit of professional accreditation.	2004-2005	For all programs, the result of second round program review was fine tuning curricular revisions, changes in program operations, and inclusion of student learning outcome assessment data. For a select few (music and dietetics) it involved the pursuit of professional accreditation.	Operations Curriculum Data collection	Production skills
Biology	1995-1996		2003-2004		Staffing Curriculum	Knowledge; changes assessed, student scores improved
