All single undergraduate students under the age of 23 are required to live in university housing. Exceptions to this policy are: 1) living at home with a parent or guardian or 2) employed in a qualified live-in situation (for example as a nanny, caregiver, etc.).

Students requesting to live off campus must file an off-campus petition through the Office of Residential Life. Each petition is carefully verified. Students with any discipline contracts during the previous two semesters are ineligible to live off campus. If you have any questions regarding this policy, please contact the Office of Residential Life at (619) 849-2463. Notifications regarding this petition will be sent to your pointloma.edu e-mail account.
