

WHEN THERE IS NOT ENOUGH FOOD, WHAT HAPPENS?

SOME OF US WILL NEED TO CHANGE SO THAT WE CAN EAT AND DIGEST OTHER TYPES OF FOODS.

SOME OF US WILL NOT GET ENOUGH FOOD AND MAY GET SICK AND WEAK.

ALL OF US WILL WORK TOGETHER TO FIND FOOD. WE CO-OPERATE!

FOOD ALWAYS COMES BACK, SO WE WILL ALL GET ENOUGH TO EAT.

WE MIGHT FIGHT FOR FOOD AND THE FASTEST AND BIGGEST ONES WILL GET THE MOST.
