

FERMANIAN SCHOOL OF BUSINESS

MORE THAN THE BOTTOM LINE™
Business Education to Change the World

The Fermanian Executive Network is an organization committed to exerting a positive influence on the global community through business endeavors, relationships, and personal activities. The Network will foster these opportunities through mentoring, special events, guest lecturing, and identifying internship, employment, and business opportunities for fellow Network members. For more information please visit http://www.pointloma.edu/Fermanian/Fermanian_Executive_Network.htm
