

Calendar of Upcoming Events

IN THE SPOTLIGHT:

Building School Spirit—

Mane Events are large all-campus, student-faculty-staff activities that have become “the place to be.” Sponsored by the Associated Student Body, student organizations and the office of Student Development, Mane Events include food, fun and prizes centered around athletics, music and drama. The goal: to build a community that helps “shape” the lives of PLNU students.

Check out the Mane Events for fall 2004:
