

## General Education Transfer Agreement 2008 - 2009

All GE and major courses must be taken for a letter grade, not pass/fail

A combined maximum of 70 units may be transferred to PLNU from the following sources: community college, AP, CLEP, and IB. All courses transfer as lower division only.

All listed courses cannot be taken via non-traditional delivery means, such as tv or online.

<sup>1</sup> Calculus is only required for certain majors (see catalog for specific major requirements). All other majors have the option of taking MTH303, Problem Solving, at PLNU to complete the GE requirement.

<sup>2</sup> Current students or students who have previously attended PLNU must take a total of 8 units of science. Many transfer colleges have 3 unit non-lab sciences, so the lab is then required to complete the 8 unit requirement at PLNU. First-time transfer students who have already completed at least 7 units before transferring to PLNU are granted an exception.

<sup>3</sup> Students must complete three semesters of a foreign language to equal the content covered in two semesters at PLNU.

<sup>4</sup> This course only applies toward the GE requirement for students who declared or began under the 2008-09 catalog or beyond.
