

Point Loma Nazarene University

Your safety is paramount.

Welcome to Point Loma!

As you get acquainted with new friends, and the campus, please make sure that you know your emergency exit from your residence hall. Also, when walking or jogging around the campus elsewhere, jog with a friend or in a group. Consider a self defense class.

Use common sense in areas of personal safety and life in the residence halls. For example, close your blinds when changing clothes. Don't loan out your room key, lock all valuables in a secure area, such as your closet. If you lose a room key, report it immediately to the Resident Director.

Tijuana Mexico is not the United States. Everybody knows this, however, you have no rights in Mexico. Even a small infraction may land you in their jail and judicial system. The laws of the US do not apply.

Please report crime immediately to Public Safety. In an emergency, call xt.2525, for other business, xt. 2546.

Note: San Diego PD could not break down stats for inclusion in the Dept. of Education report as required by the Clery Act. SDPD uses the Federal Census Tract for tracking and reporting crime. The following crimes were reported for 2005 for the PLNU area: Rape 4, Robbery 3, Aggravated Assault 1 Burglary 9, Auto Theft 14, Arson 0, Drug Arrests 28, Weapons Arrest 1, and Alcohol Arrest 20. If a crime, from above, is not listed it is because there were no statistics.
