

2008/2009 FLEX HOUSING APPLICATION

ELIGIBILITY: 3rd and 4th year women with a cumulative GPA of 2.5, and who met Fall 2007 chapel requirements may apply. Chapel attendance for the year is verified through the portal. Students who do not make their Spring 2008 chapel requirements may jeopardize their eligibility to live in Flex. Women with any discipline letters during the previous two semesters are ineligible to apply. Flex residents must reapply each year, and are not guaranteed continued Flex residency.

YOUR COMMITMENT: As with any apartment complex lease, you are making a commitment to live in a Flex apartment for the entire 2008-2009 academic year. Groups of five women willing to commit for the entire 2008-2009 school year will be given priority. (If someone in your group will be leaving at the semester break (study abroad, graduating, etc.), we will allow your group to apply with an additional person who will fill the vacancy (ex. returning study abroad student)).

Once you have accepted your Flex placement, you will be ineligible to petition to live off campus for the 2008-2009 school year. We consider all housing commitments to be for the entire school year.

Students in your group who have not registered for Fall 2008 classes by May 1 may jeopardize your group's placement in Flex. The university reserves the right to fill any openings created by an individual breaking this time commitment, not registering for classes, withdrawing from the university, etc.

SELECTION: Once eligibility of each applicant has been verified, decisions will be based on the point total of the entire group. Individual point totals have been emailed to all students, please use these emails to help calculate your group's total.

HOW TO APPLY: Each group member must complete an individual application, and all five applications must be stapled together when submitting. Group application packets are due in the Office of Residential Life no later than 4:30 pm on Friday, February 29, 2008. An email notification of acceptance or non-acceptance will be sent by 4:30 pm on March 10, 2008.

By signing below, I certify that the above information is correct. I acknowledge that in order to prevent an environment of undue stress and confusion caused by excessive housing or roommate changes, roommates or rooms selected and assigned during the room selection process are considered set at the conclusion of room selection night. I realize that any desire for change in housing after room selection night will require me to wait until AFTER the start of the fall semester to file a Housing Change Request. In addition, I understand that once I have accepted a Flex placement, I am making a housing commitment for the 2008-2009 school year.
