

Maria Zack

Department of Mathematical, Information and Computer Sciences
Department of Physics and Engineering
Point Loma Nazarene University
3900 Lomaland Drive, San Diego, CA 92106
(619) 849-2458
mzack@pointloma.edu

EDUCATION

University of California, San Diego, San Diego, CA

Ph.D. in Mathematics

1989

Dissertation: "Convergence to Uniform on the Finite Heisenberg Group and Applications to Random Number Generators"

University of California at San Diego, San Diego, CA

B.A. in Mathematics

1984

GRANTS AND AWARDS

- | | |
|--|------------------|
| • NetVUE Vocation Across the Academy (\$60,000) | 2019-2022 |
| • Council of Independent Colleges, NetVUE Professional Development Grant (\$10,000) | 2016-2017 |
| • National Science Foundation SSTEM Grant (\$576,000) | 2016-2020 |
| • Council of Independent Colleges, NetVUE Grant (\$50,000) | 2014-2015 |
| • Education Associates Lighthouse Award | 2013 |
| • Wesleyan Center Research Grant | 2006-2007 |
| • Grant to participate in SAUM (Supporting Assessment in Undergraduate Mathematics) sponsored by the NSF/MAA | 2003-2004 |

TEACHING EXPERIENCE

Point Loma Nazarene University, San Diego, CA

Professor and Chair – Department of Mathematical, Information and Computer Science and Department of Physics and Engineering

2016-present

Point Loma Nazarene University, San Diego, CA

Professor and Chair – Mathematical, Information and Computer Sciences

2002-2016

Point Loma Nazarene University, San Diego, CA

Professor – Mathematics

2000-2002

Point Loma Nazarene University, San Diego, CA

Associate Professor – Mathematics

1996-2000

Point Loma Nazarene University, San Diego, CA

Assistant Professor – Mathematics

1994-1996

Texas Tech University, Lubbock, TX

Assistant Professor – Mathematics

1989-1990

RELATED EXPERIENCE

Institute for Defense Analysis Center for Communications Research, La Jolla, CA

Part-Time Research Staff Member

1995-2007

Institute for Defense Analysis Center for Communications Research, La Jolla, CA

Research Staff Member

1991-1995

IDA is a interdisciplinary research facility that works on classified projects that involve techniques from mathematics computer science and engineering.

PAPERS OR TALKS

M. Zack, July 2021, "Early Computations on the Cycloid," British Society for the History of Mathematics, Online.

M. Zack, March 2021, "Mathematical and Scientific Roots in the Architecture of Christopher Wren and Robert Hooke," Seminar at Trinity Western University, Canada

M. Zack, February 2021, "A Very Popular Curve: The Cycloid," Philadelphia Area Society for the History of Mathematics, Online

M. Zack, January 2021, "Early Computations on the Cycloid – Some Interesting Puzzles," Joint Mathematics Meetings, Online

M. Zack, January 2020, "Quadrature, Rectification and the Cycloid," Joint Mathematics Meetings, Denver, CO

M. Zack, January 2020, "SSTEM: Using Computational Science to Enhance Learning and Commitment to STEM," Joint Mathematics Meetings, Denver, CO.

M. Zack, June 2019, "Mathematics in Daniele Barbaro's Vitruvius of 1567," Canadian Society for History and Philosophy of Mathematics Conference, Vancouver, Canada

M. Zack, May 2019, "Pre-Conference Workshop on Career Planning for Early Career Faculty," Meeting of the Association of Christians in the Mathematical Sciences, Marion, IN

M. Zack and G. Crow, May 2019, "Practical Examples of Bin Packing and Critical Path Scheduling," Meeting of the Association of Christians in the Mathematical Sciences, Marion, IN

PLNU COMMUNITY SERVICE

University at Large:

- Workday Implementation, Co-Project Manager, (2014-present)
- Special Assistant to the President for Planning (2006 – present)
- Co-Chair of the Strategic Planning Committee (2006- present)
- WASC Steering Committee (2015-2017)
 - Serving on three essay teams
 - Writing the main report
 - Coordinating data gathering efforts
- Certified in Blended Learning Teaching, Sloan-C, 2013
- Strategic Enrollment Planning Committee (2012-present)
- PLNU Degree Qualification Profile (DQP) Task Team (2012-2014)
 - Participated in the PLNU DQP Pilot Program (2012-2014)
 - WASC Meaning, Quality and Integrity of Degree Workshop (2013)
 - CIC DQP Consortium Meeting (2012)
 - WASC DQP Workshop (2013)
 - NILOA Charette Conference (2014)
- Prioritization Process Coordinator (2012-2014)
- WASC Interim Report (2011-2012)
 - Co-author
 - Data analysis and synthesis
- WASC CPR and EER (2004-2007)
 - Wrote CPR Data Report and Strategic Planning Report
 - Built and maintained University Data Tables
 - Webmaster for entire WASC report website (CPR and EER)
- Created the history section of the graduate History and Philosophy of Science course in the Biology masters degree program (2015) and join the class annually as a guest.
- Annually compute the faculty salary target for the Vice President for Finance and Administration (1999 – present)
- I have also served on several university committees including: Faculty Status Committee, Faculty Council, Spiritual Development Committee, Teacher Education Committee, Media Board, IPPS Advisory Board, and Faculty Workshop and Retreat Committee.
- Regular speaker at the New Faculty Orientation and New Faculty Seminar.
- Helped with organizational tasks (presiding over sessions, etc) for most of the Wesley Center Conferences.
- Served on student honors thesis committees outside of my department.
- Have spoken in a number of PLNU events including: Heritage Day chapel, Psychology 101 convocation and Faculty Workshop.
- Coordinator and co-leader for a Theology/Biology study abroad trip to Kenya (1998)

Within the MICS Department:

- Wrote both Department Reviews
- Wrote the Mathematics Single Subject Program certification documents for the State of California and created the template used by other PLNU departments for their single subject documents.
- Organized annual trips to take students to the Mathematical Association of America Southern California Section meeting. Students presented posters of their research at these meetings.
- Designed our departments study abroad experience. This is a course in the history of mathematics. Lead trips in 2000, 2002, 2004, 2006, 2008, 2012, 2014.

COMMUNITY INVOLVEMENT

Editor of *The Proceedings of the Canadian Society for History and Philosophy of Mathematics* now named *The Annals of the Canadian Society for History and Philosophy of Mathematics* (2014-Present). The book series published by Birkhauser and my contract to edit the series has been extended through 2022.

Canadian Society for History and Philosophy of Mathematics

- Production Editor for the Newsletter of the Canadian Society for the History and Philosophy of Mathematics (2008-present)
- Vice President (2016-2018)
- President (2018-2020)
- Past President (2020-present)

Nexus Network Journal, Editorial Board Member, (2014-present)

Nexus Association

- Board for Planning Organizational Structure (2021-present)
- Scientific Committee for Nexus 2020 in Kaiserslautern, Germany (postponed to 2021)
- Scientific Committee for Nexus 2018 in Pisa, Italy (2018)
- Scientific Committee for Nexus 2016 in San Sebastian, Spain (2016)
- Scientific Committee for PhD Day for Nexus 2012 in Milan, Italy (2012)

Accreditation Evaluator for the Western Association of Schools and Colleges (2008-present)

Journal Reviewer for PRIMUS (2013-present)

NSF Review Panel Member (2014-present)

Association for Women in Mathematics

- Membership Committee (2017-20)

Board Member for Association of Christians in the Mathematical Sciences (2009-present)

- Secretary of the Association of Christians in the Mathematical Sciences (2011-2013)
- Vice President of the Association of Christians in the Mathematical Sciences (2013-2015)
- President of the Association of Christians in the Mathematical Sciences (2015-2017)
- Joint Mathematics Meetings Event Coordinator (2013-present)

Board Member Lamb's Players Theatre (2014-present)

- Chairman of the Board (2020-present)

Society for Information Managers (2012-present)

- PLNU Faculty Liaison
- San Diego Chapter Academic Committee (2018-present)
- San Diego Chapter Board Member (2021-present)

Mathematical Association of America

- Centennial Committee (2014-2015)
- Chauvenet Prize Committee (2020-present)

Plant with Purpose Gala Committee (2011-present)

INGenIOuS Workshop

- Invitation only conference funded by NSF
- Focused on building a community of mathematicians that are training students to use mathematics to solve complex scientific and social problems

Program Review External Reviewer

- Mathematics and Computer Science, Wheaton College (2018)
- General Education Program, Vanguard University (2013)
- Mathematics and Physics Department, Azusa Pacific University (2012)

"Learning Discrete Mathematics and Computer Science Via Primary Sources," funded by the NSF, PI David Pengelley, New Mexico State University (2010-2012)

- Project testing and data gathering
- Assisted with Workshops at the Joint Mathematics Meetings (2011, 2012)
- Participated in Workshop on Authorship of Projects, April (2012)

CIC Network for Vocation in Undergraduate Education (2009-present)

- PLNU point of contact for NetVUE
- Consultant visit to Schreiner University, TX, 2012
- NetVUE conferences 2011, 2013, 2015, 2017

Medical Benevolence Foundation:

- Interim Executive Director of the Medical Benevolence Foundation (March – December 2007, April 2011 – January 2012)
