Services Coach Moorpark College

I have significant teaching and administrative experience serving as a School Board President, University Adjunct Professor, Assistant Dean, Athletic Director, English, Physical Education, Science, Reading, Study Skills teacher and Freshman Mentor. This vast experience has provided me with a thorough understanding of these subjects, and insight for teaching. My work experience contributes greatly to my ability to teach effectively with a variety of methodologies. As an instructor, I place the student, at the center of my instructional model. I strive to move beyond the traditional teaching model to facilitate learning, which I believe is a process that begins and ends with the student. I believe these core beliefs are instrumental in teaching. I have also done extensive research in the area of education, leadership, athletics, and mentoring.

- Doctorate in Sports Management and Leadership (ABD)
- Over 20 years experience as an educator, serving as Assistant Dean, Athletic Director, School Board President
- Developed Curriculum and Taught Leadership 560 in the Masters of Coaching and Athletic Administration program Concordia Univ. Irvine
- Two-time NAIA Division I Men's Basketball National Champion: Dedicated to enthusiastic and dynamic teaching of the game of basketball as a means of creating and nurturing a lifelong commitment to hard work and excellence.

# BRAD S. DAVIS

*"Brad is as organized and efficient as anyone I've ever worked with. He has a passion for the game of basketball that is rare, refreshing, and contagious. Brad has never been a guy who takes shortcuts, but rather believes in taking the hard road to attain results that are earned and not just given."*

**Rhett Soliday: Head Men's Basketball Coach Vanguard University**

*Mr. Davis is a twenty-two year veteran teacher who has successful experience teaching at all levels of education. I have had the opportunity to observe Mr. Davis teach and I am impressed with his enthusiasm and attention to detail. While he understands the need to be flexible, he holds his students to high standards. He would be a valuable addition to your faculty.*
